

Now With F.M.L.

I am one of those who will never be accused of sloth.

In this sense, I decide between avoiding broken dreams, if anything is to materialize, or hurt feelings. And I am among the worst at working for the dream and hurting sensitivities which are not caught up in such things.

But if I were insensitive myself, I would find this no problem.

The solution in this human relations equation is to hang a sign around my neck which says: "Beware of charge over feelings in pursuit of dream." Feelings would be hurt nonetheless and the individual psychological damage may not be worth a realization of some magnitude.

To which I must answer: There is a horizon to be shared today if we share the same horizon tomorrow, tomorrow and as far as we can dream.

Call this anything you like. I can show you countless realities which

come from dreams.

NOW -NOW-NOW

One example is a sketch drawn for your Herald nine years ago during a series of town meetings.

It is quite like the downtown so many people materialized in the nine years since.

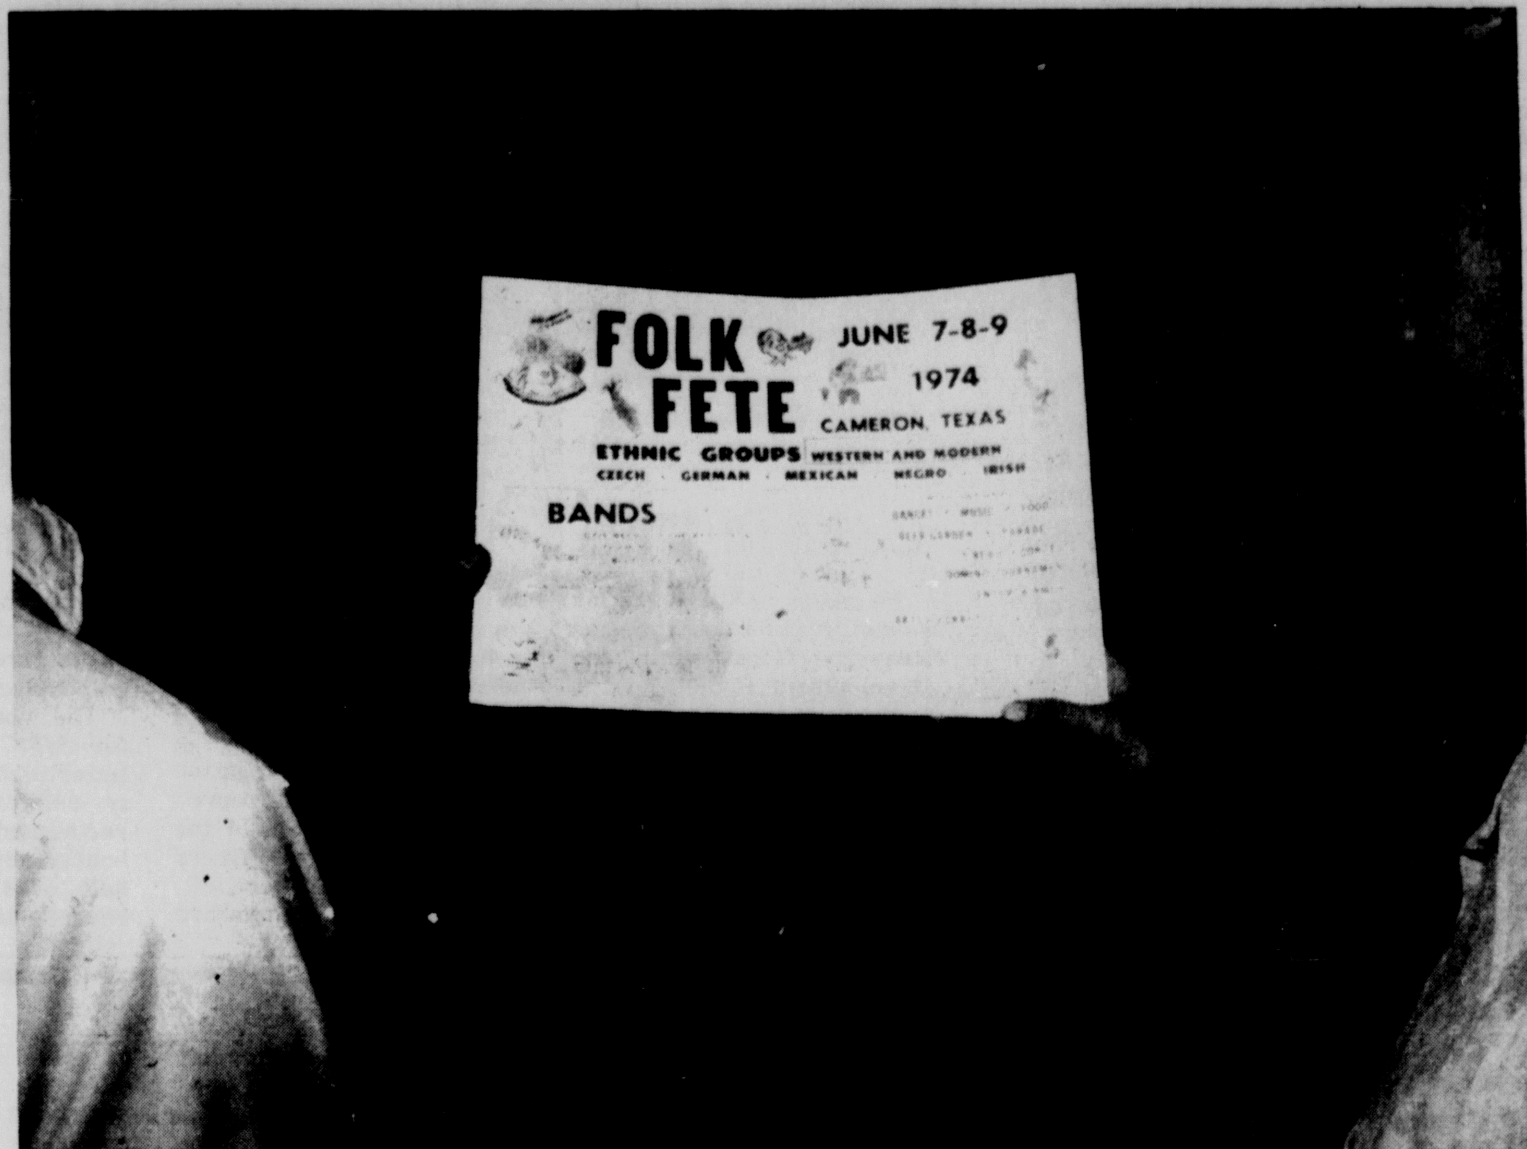

They shared some part of this dream, despite philosophical questions of how it was to be done, because the over-riding goal was the solution, now the means, however small-town controversial.

If you would like to see the sketch, drop by your Herald.

All this improvement incidentally was dubbed years ago by one skeptic as "immoral." It was opinion, not judgment, which events have proved 180 degrees out.

And ironically enough, those who benefit now are still among the most vociferous critics.

Folk Fete Set For June 7-9

IT'S FOLK FETE TIME again, and posters advertising the annual fun-fest in Cameron are going up all over the surrounding area. The fete will include three days

of music, good food, and fun for everyone. Dates for Folk Fete are June 7-8-9, and even bigger crowds are expected to share in festivities this year.

Cameron's annual Folk Fete, that time of music, fun, laughter and good food, is nearing again with the dates for this year's festival set for June 7-8-9.

The fete will again be held at the National Guard Armory at Cameron with bands and dancing inside and food booths outside on the grounds. This year's fete is expected to attract even larger crowds than in previous years.

Arts and crafts will also be displayed in booths.

Adding to the enjoyment will be a beer garden, parade in downtown Cameron, a beauty contest and domino tournament.

Activities will get underway with food service beginning at 5 p.m. Friday, June 8. On Saturday, the parade will start things off at 10 a.m. and food service will start at 12 noon and continue throughout the day. Sunday serving will start at 12 noon and continue until quitting time.

Music for the fete will feature Otis Beck and "The Best Yets" Friday night from 8 until 12 midnight. The "Blue Vest Boys" will play Saturday from 1 to 5 p.m. and from 8:30 p.m. until 1 a.m. Don Shuffield and "The Western Swingsters" will entertain Sunday from 1 until 5 p.m. and on Sunday from 6 till 10 p.m. "Vrazel Polka Band" will provide music for the closing events.

Food booths will reflect ethnic tastes with Czech, German, Mexican, Negro, Irish, Western and Modern goodies offered to the crowds.

More events and entertainers will be named in the weeks approaching Folk Fete time.

Area Roundup

Moffat District Annexed Again

Moffat Common School District was annexed to the Belton Independent School District -- again -- in a two-hour special meeting of the Bell County School Board last week. Earl D. Massey of Killeen, chairman of the board, stressed several times that the only interest the county board has in the annexation problem is that the Moffat district does not have finances to operate its school. Moffat residents had filed a suit against the board following its first annexation vote.

Loot Sought In River

A search was made last week near the Red Stewart Crossing on the Brazos River for loot that was taken during a burglary at Hensel Hardware and Furniture in Rosebud. The search was made after one of the accused suspects told that part of the merchandise taken had been put into plastic bags and put into the river. Seven searchers waded the river from bank to bank for about a mile, but found nothing. Later on one of the television sets was found some 15 miles down the river, still in its box.

Cleanup Campaign Successful

Over 100 truck loads of trash were picked up last week in what has been termed as one of the most successful Georgetown Cleanup Campaigns in history. Added to this year's campaign were the pickup of junk appliances and abandoned vehicles. The cleanup accounted for the pickup of 14 cars and 23 refrigerators.

Queen Contest Opens

Nominations are open for Rockdale's Centennial Queen Contest. Dough Smith, contest chairman, said it is not a beauty contest and is not limited to teenage girls or even Rockdale girls. It's open to any young lady or woman age 17 or older, married or single who had completed high school or is a high school student and lived in South Milam County. Officials are hopeful nominations will include teachers, homemakers, career women as well as students, Smith said.

Bank Names New Officers

W. E. Pritchett, formerly of Fort Worth, and Mike Reiland of Houston have been chosen as president and vice president and cashier of the First State Bank of Hearne. New directors since the bank was reorganized over 30 days ago are Vincent D. Kickerillo, chairman of the board; Don Angonia, Guy E. Chandler, Vence Corpora, Carl Cotropia, Roy Larkin Henry, Wait S. Hoyt Jr., J. F. Payne and G. R. Varner.

City Building Tennis Courts

Citizens of Somerville will be enjoying new facilities in the new city park in the near future. Construction has begun for a double tennis court, to be located on the east side of the school football stadium. Cost of the project which includes courts, lighting, fencing and parking areas, is \$25,423. The tennis courts are being built with revenue sharing funds.

Yegua Creek Basin Dry

February and March rainfall in the East Yegua Creek basin combined for a less than favorable early spring growing season. The region west of Caldwell averaged 1.98 inches last month, 1.3 inches below normal. February had only .21 inch, when 3.13 is average. Only January has recorded better than average moisture this year. It was 3.67, almost an inch above normal.

Absentee Voting Open Now For May 4 Primary

Voters who will be out of the county or unable to come to the polls on Saturday, May 4, can vote in the primary elections by casting absentee ballots at the county courthouse now.

A full lineup of county, state and district offices are listed on the Democratic ballot, along with a number of precinct contests in Milam and a referendum that offers voters a chance to say whether or not they favor pari-mutuel betting.

Two county commissioner races are on the ballot, as well as a three-man race for the constable's post at Milano.

The GOP ballot lists two contests for governor and lieutenant governor, but has three referendums listed on the ballots.

Centennial Spirit Builds At Rockdale

Rockdale is really getting in the Centennial spirit, forming organizations, featuring style shows and planning other events to climax with the 100th birthday celebration set for May 31 - June 9.

A standing room only crowd estimated at almost 400 paced the school cafeteria last week for the Centennial Belles Style Show. The event featured 19th century gowns and bonnets nicely modeled by 20th century belles.

Everything shown at the style show can be purchased for use during Centennial Week.

For the men, "Brothers of the Brush" chapters are ready to take in members. That organization got off to a good start before about 40 enthusiastic backers at Haus Bavaria. B-B kits were distributed to members to form B-B chapters. It is hoped there will be activities in the form of challenges between the chapter.

Hats, including derbies, string ties, and arm bands are now on sale at several downtown locations. Straw skimmers are also available.

As the Centennial spirit really begins to build the four Fridays in May loom ahead as "Promenade" dates.

Senator Bentsen Urges Funds For San Gabriel

Senator Lloyd Bentsen joined with Cong. W. R. Poage in urging the Senate Appropriations Subcommittee on Public Works to appropriate some \$11.2 million for the San Gabriel Project.

The statement was made before the committee by Sen. Bentsen on April 23.

In his statement, Bentsen said he was speaking in support of the San Gabriel Flood Control and Water Conservation Project.

The San Gabriel empties into the Little River, which, in turn, empties into the Brazos River.

"This area has been the scene of some of the most treacherous and destructive floods in the history of the State of Texas," Bentsen told the committee.

The San Gabriel Project itself is composed of three proposed reser-

voirs: the Laneport, the North Fork, and the South Fork. These multipurpose reservoirs are key elements in the comprehensive basin-wide plan for flood control and water conservation in the Brazos River Basin, Bentsen stated.

"Until the San Gabriel River is brought under effective control, the Little River watershed, of which the San Gabriel is a part, will remain a serious flood threat to the Brazos Basin," he added.

The Corps of Engineers has expressed a capability of \$11.3 million for the project although the 1975 budget request is \$9 million.

"I join with my colleague Congressman Poage in urging this committee to appropriate funds at a level commensurate with the Corps' indicated capability," Bentsen said.

New Superintendent Meets With Trustees

Cameron's school trustees met in a called session Friday night to discuss several topics with the new superintendent, Buddy Dulin of Albany. School principals also attended.

The new superintendent will assume the full job of supervising Cameron schools on July 1.

Dulin discussed the school calendar used by Albany schools, which start earlier in the fall -- on August 19. Dulin explained that the Albany schools take a "spring break" at Easter time with a whole week off.

Board members said they would prefer school to start as late as possible in the fall on account of the heat. Supt. D. R. Dodson discussed the short schedule used by local schools when fall classes start, and board members agreed that they wanted to keep that schedule.

Dulin will draw up a revised calendar and send it to the board in time for action at the next meeting.

Supt. Dodson discussed finances for this year and next year, and said spending would be a matter of priorities. He said he can see no money problems for the next year and planned construction could con-

Two-Car Mishap Injures Three

Highway Patrolman Milton Wright investigated a two-car collision around 9 a.m. Thursday near Rockdale, when three persons were reportedly injured.

The mishap occurred one and a half miles east of Rockdale on what is known as Talbot's Ridge, on a county road.

Taken to Richards Hospital in Rockdale with undetermined injuries were Mrs. Ella Crywood, of Rockdale, driver of one car; and Manuel Villanasa, passenger in a car driven by Pablo De La Garza, also of Rockdale.

Police To Hold Bicycle Rodeo

The Cameron Police Department will hold a bicycle safety rodeo Saturday, May 4 in front of Yoe High School.

The rodeo is open to second, third, and fourth graders. Students should contact teachers for applications for parents to fill in.

Bikes must be in good condition.

He said salary increases could be offset by increases in tax evaluations.

In discussing the hiring of another coach, Head Coach Ed Cauley said it would not be the matter of just adding another coach, but that the man hired would be expected to teach also, filling in a vacancy in the system.

Cauley said all top notch school athletic programs have at least five coaches.

The board agreed to meet in two weeks to interview band director applicants. The superintendent and principals will also meet with the board on that date to consider directors.

A motion was made and passed that the board inform Don Czaplinski, present band director, that the board is not in favor of employing him in any capacity for the next school year.

On the question of an assistant director for junior high school, trustees agreed it should be up to the new band director to choose whether he wants an assistant or not.

The meeting was adjourned and the board went into executive session.

We Are They...

We are they.
Vague, but Cameron's urban renewal has proved local people can be involved in federal government apparatus, complex that it is, and make the results beneficial beyond federal expectations.
Urban renewal is being phased out in favor of revenue sharing which is broad based, not selective as urban renewal or model cities programs were.
Cameron's downtown, counting matching funds in kind or in fact, is a million dollars new. No one knows exactly how much has been spent on buildings, new remodeled or rebuilt. But it would approximate another million before all the changes still underway are complete. It will be a couple more years before all the spinoff of this program will subside.

So federal money absolutely rebuilt an area private would not and did not until focal point fountain and parking and streets developed. Private money is following in substantial amounts of confidence.
It worked because local people made it work. The alternative was development along highways and internal blight, common in almost any town.
The fact is "we" -- the locals -- became "the" -- people in federal levels of expertise from here to Washington -- when we took their advice and employed ingenuity to the satisfaction of a great number of people, property owners and countless thousands who still wonder how it was done.
Tell them it is simple. Just acknowledge: We are they.

Both Will Be Fun...

Neighboring city Rockdale is getting a Centennial celebration underway May 31 which continues through June 9, final day of the annual three-day celebration of Folk Fete.
There is no conflict, of course. It happens to be about the best time of year to hold celebrations, the first week or so after school is out and just before most people start vacation travel.
Which brings up a point of this mention. The two celebrations can dovetail toward the end of Rockdale Centennial just when Folk Fete gets rolling, perhaps like the Minerva Arts & Craft Fair draws from both communities this weekend.
Rockdale's centennial will include traditional beard growing, style shows, Centennial belles, "kangaroo courts" to name a few.
Cameron's Folk Fete will feature the ethnic dances,

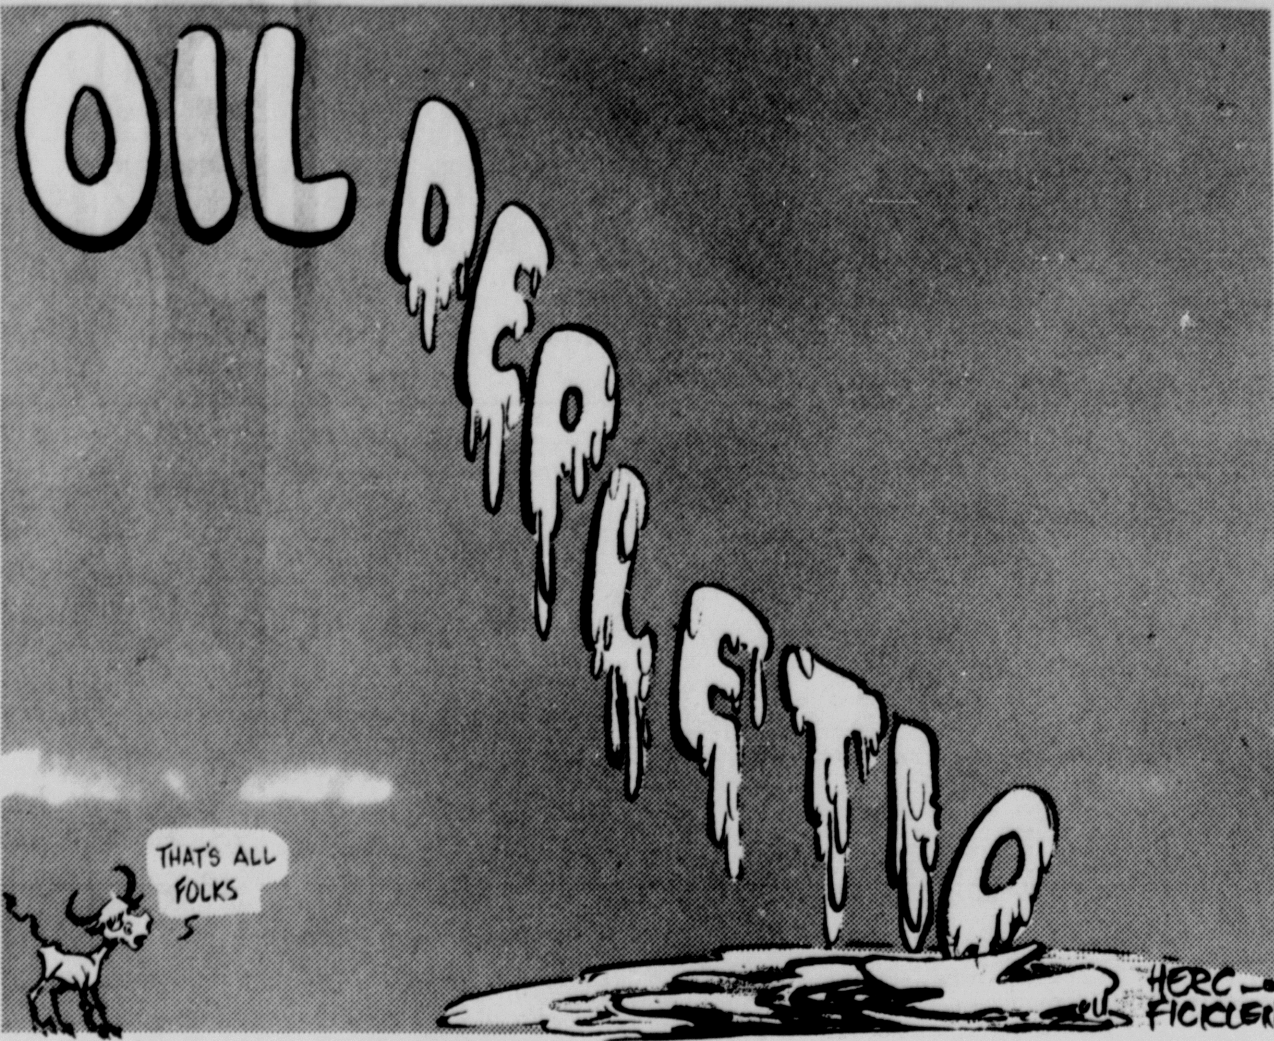

food booths, several types of bands and lots of fun going for the first time into a third day.
Beside, people are going to be inclined to vacation at home this year with higher gasoline costs and the prospect of limited gas supplies. No one is quite sure how much is available a month in advance.
All this adds up to recognition of the importance of "fun" right around the home area.
Congratulations are in order for Rockdale's centennial. Cameron's was in 1946 and residents then enjoyed a lot of the traditions Rockdale is bringing on.
And we invite Rockdallians from all parts of the state who might return to the old hometown to visit Cameron during the June 7-9 Folk Fete weekend.
Both will be fun.

Industries Win Awards

AUSTIN
Five widely diversified manufacturing firms representing a cross-section of Texas have won the annual Governor's Industrial Expansion Awards for 1973, Governor Dolph Briscoe has announced.
Governor Briscoe said Hi-Pro Feeds, Inc. of Friona, Datapoint Corporation of San Antonio, Superior Continental Corporation of Brownwood, Owens-Corning Fiberglas Corp. of Waxahatchie and the Beaumont Shipyards of Bethlehem Steel Corp. were selected as 1973 winners.
The winners were nominated by their local Chambers of Commerce and selected by the Texas Industrial Commission for their civic and

economic contributions to their communities.
"All Texans should join us in honoring these industries, all of which have added significant strength to the economic growth of their communities and the entire state," Governor Briscoe said in announcing the winners. "It is fitting that we are able to honor our existing industries, which are sometimes overlooked when the bouquets are passed to the industrial growth of our state."
The Governor pointed out that the majority of new jobs created in Texas come from expanding industry, although location of new plants usually receives most of the public's attention.

The five award winners will be honored in ceremonies in the Governor's office and will be feted at a special luncheon hosted by the Governor.
In previous years, the Governor has made the presentations at a Governor's Conference in Austin, but the Texas Industrial Commission, at the request of Governor Briscoe, voted to reduce the ceremonies to the winners this year due to the fuel shortage.
Selection was made after analyzing company payroll increases, new employees and plant area enlargement as well as local expenditures for goods and services.

GOING, GOING, -----!

Council Delegates Plan Washington Trip

Members of the executive council of the Central Texas Resource Conservation and Development Project met in Gatesville April 23.
Official delegate from Milam County was Dalton Caffey.
Chairman of the CTRC&D project, Gilbert Kretschmar from the Little River - San Gabriel Soil and Water Conservation District presided at the meeting, which included considerable discussion on the proposal to send RC&D representatives to Washington, D. C. in the near future. The delegation will consist of one representative from each of the six counties, three officers from the executive council, the president and executive director of the Central Texas Council of Government, and up to three other interested people.
The vote was unanimous for C.T.C.O.G. to prepare a letter to the respective county commissioner's courts, recommending that each county government pay one-half of the cost of their representative to make the

Washington trip. The balance would be paid by soil and water conservation districts throughout the region.
Purpose of the upcoming trip is for the delegates to meet with congressmen and officials of the U.S. Department of Agriculture, in an effort to obtain approval and federal funding for project planning in the six-county RC&D area, which comprises Bell, Coryell, Hamilton, Milam, Mills and San Saba Counties.
The gas company executive told shareholders that, "adequate balance was provided to the company's consolidated results by continuing gains in employee productivity, by the successful accomplishment of gas rate increases to certain non-regulated groups of industrial customers, by increasing production of oil and natural gas liquids, and by noteworthy improvements in the company's chemical operations."
McCord noted that in 1973 items adversely affecting earnings were growing expenses for new gas supplies, higher interest expense, serious delays in securing necessary gas rate adjustments, and the restraint of Federal controls on some major segments of Lone Star's non-utility business lines. Also, "Early year gains in 1973 weather were more than wiped out by an end of the year heating season that was some 55% below the prior year," McCord said.
Speaking on the subject of gas supply, McCord stated, "In 1973, the company proved its capability in today's highly competitive gas supply situation to secure major new reserves in excess of its immediate sales requirements."

Regents Name Roney To Replace Dr. Dugger

SWEETWATER Dr. Roy Dugger was elevated, effective June 1, to president emeritus and distinguished teacher of Texas State Technical Institute at a meeting here of the Board of Regents of the post-secondary, multi-campus school.

DR. ROY DUGGER

Consumer Market Report

Outdoor "cooks" have a chance to stock freezers with beef now, according to one observer.

"Beef supplies are larger at this time than a year ago, and markets likely will offer more 'specials,'" Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System, predicted.

Best beef values will be round steaks and roasts, ground beef, calf and beef liver arm and blade pot roasts and steaks -- while many markets will offer chuck cuts at special prices, Mrs. Clyatt said.

"Pork values include end-cut loin roasts and pork chops, shoulder roasts and steaks and picnics.

"Fryer chicken supplies are about five per cent higher than this time last year, and turkeys are in abundant supply. Both are economically priced."

At dairy sections, attractive prices will appear on cream cheese, yogurt, low-fat milk and cottage cheese the specialist said.

"Buy cheese in large pieces -- then slice and shred it at home," she added.

Fresh fruit and vegetables in good supply at the most economical prices include apples, oranges, grapefruit, pineapples, strawberries and bananas.

Also, collards, mustard, turnips and greens, beets, celery, cabbage, dry yellow onions, carrots, rutabagas, radishes and green onions.

CONSUMER WATCHWORDS

The first "key" word on federally inspected products tells consumers if there's more meat -- or more "something else" -- in the package.

If the word "beef" is first on the label, usually there is more meat in the product than if another word, such as "vegetables," is first.

as president of State Tech was Dr. Maurice W. Roney, executive vice president of State Tech.

Named to replace Roney was Dr. Jack E. Tompkins, a vice president of State Tech and general manager of the James Connally Campus in Waco.

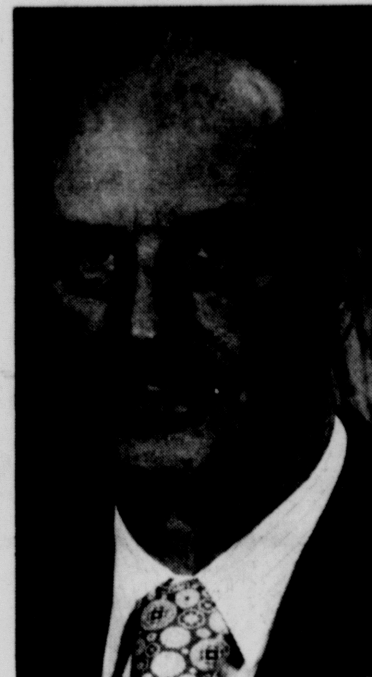

Dugger pioneered the concept of technical education institutes in Texas. He was the first and only director of the James Connally Technical Institute, the predecessor of State Tech, and the first president of State Tech.

Roney became executive vice president of State Tech in 1969 after serving as professor and director of the School of Occupational and Adult Education at Oklahoma State University.

Tompkins assumed his position with State Tech in 1969 after serving as associate dean for research and development at James Connally Tech.

The Board of Regents also accepted the retirement, effective Aug. 31 of Morris S. Webb, the senior vice president of State Tech. Webb was named dean emeritus and will continue to work on a parttime basis.

In other action the board: "Voted to 'lend whatever assistance possible' to the Connally Consolidated Independent School District, whose high school was recently destroyed by fire. The district had informed the State Tech board that it needs 25 classrooms, an agricultural building, a band hall, a gymnasium and a library.

DR. MAURICE RONEY

DR. JACK TOMPKINS

Visit HERALD STATIONERY for your office supply needs: *PENCILS *RUBBER BANDS *FILE FOLDERS *PAPER CLIPS *SCOTCH TAPE *LEGAL PADS *POSTAL SCALES

*Revoked the policy, effective Sept. 1, that requires unmarried students under 21 not living with parents or other relatives, to live on campus. Dormitory residence will be on a voluntary basis after Sept. 1.

*Approved cost increases in room and board rates. During the fourth quarter of the current school year (June through August) meals will increase from an average of \$216 per quarter to an average of \$250 and dormitory rates will increase from an average of \$102.50 to \$117.50. Beginning Sept. 1, for the next full school year, meals will increase to an average of \$262.50 and dormitory rates will increase to an average of \$127.50.

*Authorized the use of both sick leave and annual leave for absence from work due to pregnancy. Previously, the use of sick leave had not been permitted. The board authorized additional leave, but without pay, if necessary, for a period up to three months.

In discussing his change of position with State Tech, Dugger told the board he would be "pleased to continue to support State Tech and its fine student body in learning to earn a good living."

In requesting the change, Dugger said he wanted to devote more time to working with a national conglomerate of technical organizations in a continuing effort to upgrade to quality of technical training such as that provided at State Tech.

Speaker Candidate Calls For Overhaul

Representative Fred Head, D-Athens, the leading candidate for Speaker of the Texas House in 1975, issued a four-point program for "fiscal integrity" that includes a major overhaul of the House Appropriations Committee.

Head called for:

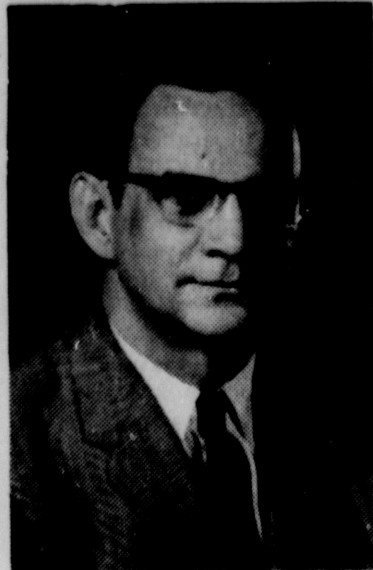

I. A new Texas economy commission to recommend ways to "help conserve our tax dollars and spend our funds more wisely."

II. Restructuring of the House Appropriation Process by enlarging the present 23-member House Appropriations Committee to 37 members and breaking it into five subcommittees.

III. No new taxes.

IV. A new government operations committee "to promote economy, efficiency and streamlining in government."

"I'm convinced that the people of Texas are interested in seeing the Texas Legislature make an all-out effort to conserve our tax dollars, to economize in all possible areas, and improve our State's financial management. The 'fiscal integrity' phase of my program for the Texas House Speakership in 1975 will help those of us who are privileged to serve in State government get a better handle on the Texas taxing and spending process," Head stated.

SEN. BILL PATMAN

Patman Present For Votes

State Senator Bill Patman of Ganado did not miss a single vote during the first three months of the Constitutional Convention in Austin.

As the delegate to the Convention from the 18th Senatorial District, Senator Patman was present for all of the 47 full Convention sessions, some of which had more than 100 record votes taken on a single day.

Senator Patman voted on every motion brought before the Convention prior to its recess on April 5.

Delegate votes are recorded on an electric voting machine which each delegate activates by pressing a "yes" or "no" button on his desk. The new reform procedures under which the Convention operates specify that each delegate must be physically present on the Convention floor in order to record his vote.

The list of those delegates who had perfect attendance records at the Convention was compiled by the office of State Representative Ben Grant of Marshall, who was on the list himself.

VA Benefits Published

The first 100,000 copies of a popular Veterans Administration publication, "Federal Benefits for Veterans and Dependents," have been distributed to regional offices and veterans assistance centers.

It is planned that an additional 300,000 copies will be printed later, incorporating new veterans' laws enacted between the first and second printings.

The 53-page pamphlet, also known as the "IS-1 Fact Sheet," is among the most widely read VA publications. It covers medical care, G. I. home loans, life insurance and locations of VA offices, hospitals and drug abuse treatment centers.

The pamphlet carries for the first time information on the CHAMPVA medical program (similar to military's CHAMPUS) for dependents and survivors of veterans. Also covered are benefits administered by other government agencies, including Labor Department job-finding assistance, Civil Service job preference, Small Business Administration loans and military exchange and commissary store privileges.

Here's an announcement of importance from Green's Funeral Home in Cameron.

Green's Funeral Home will continue to operate as in the past and honor all burial policies and all funeral contracts. Mrs. Carroll Green will continue as owner and operator of Green's Funeral Home and the firm will continue to serve the people of the community in the usual dignified manner.

Mrs. Green is a graduate of Mary Hardin Baylor College, Landing School of Mortuary Science and is a licensed funeral director. Green's will also continue to provide ambulance service.

Buckholts...

By Mrs. Edwin Gandy
Visiting over the week-end with Brother and Mrs. C. A. Kent was his brother and sister-in-law, Mr. and Mrs. Guy Kent from Lubbock. They also attended church services with Brother and Mrs. Kent on Sunday at the First Baptist Church. Mrs. Lena Russell spent the day on Sunday with Mrs. Dealie Arnold. Sunday afternoon they attended the singing at the Trinity Baptist Church in Cameron.
Visiting in the home of Mr. and Mrs. Ladis Marek

on Monday was his sister and brother-in-law, Mr. and Mrs. John Simik of Houston. Mr. and Mrs. Ladis Joe Marek and children of Waco spent the week end with his parents, Mr. and Mrs. Ladis Marek. They attended the Sunday morning church services at the First Baptist Church.
Mrs. Arnold Glaser has been a patient in Scott and White Hospital in Temple for eye surgery.
Gus Hopkins was home over the week end. He is employed in Huntsville and on Monday, Mrs. Hopkins returned to Huntsville with him, where she will spend several days visiting their

daughter.
Mrs. Estelle Horstmann has returned home for a while, after spending some time in San Antonio with her children.
Decendants of B. B. and Addie McNulty who were here for a family reunion at the farm home of Charles L. Obermiller were Mr. and Mrs. Glynn McNulty of Denbo, Pa., Mr. and Mrs. B. B. McNulty, Jr. of Thorndale, Mr. F. B. McNulty and family, Oren McNulty Mr. and Mrs. W. E. Obermiller, Mr. and Mrs. Dan Obermiller and family all from Cameron, Mr. and Mrs. Kim Chambers and family Charles Bentson, Keith

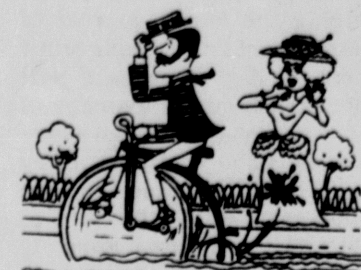

Remly.
Mrs. Thym Fuchs of Houston, Mr. and Mrs. Odis Walker and daughters, Mr. and Mrs. Wayne Walker and Mr. and Mrs. David Lee Walker all of Austin, Jack Obermiller and Lisa, C. L. Obermiller and Mr. and Mrs. Baily M. Marshall and family.
Visiting with Mrs. Mina Taylor were Mr. and Mrs. Cravy (Red) Lewis, of Austin and Mrs. Ruth Lewis and her husband Bill of California.
Mrs. Evelyn Loftin and Mrs. Mina Taylor visited Sunday afternoon in Cameron with Mrs. Lillie Mae Loftin and Mrs. Myrtle Hill.

Burlington...

Mr. and Mrs. H. J. Litzman Jr. of Cameron, Mr. and Mrs. Jimmy Litzman and Jan, Mr. and Mrs. Ricky Litzman and Jim of Houston visited Mr. and Mrs. H. J. Litzman Sr., during the Easter holidays.
Mrs. Emma Ludecke passed away in a Rosebud hospital on Monday at 6:30 a.m. Funeral service was Wednesday at United Church of Christ and burial in Ben Arnold Cemetery.
Mr. and Mrs. Gerald Fosseha and Mr. and Mrs. Willie Adams of Rosebud visited Mr. and Mrs. Henry Davenport last Friday night.

OF HEALTH

"MIRACLE" MEDICINE: TLC

Tender Loving Care, as most medical professionals have long known (though many other people don't) can be a very vital factor in a patient's health.
Dr. George Jacobson, attending psychiatrist at Jackson Memorial Hospital is crazy about it: "Sick people...respond to tender loving care. That's an important incentive to get better."
Doctors and nurses have noticed that a kind and reassuring word from them can make a patient take a turn for the better. Visits, cards and gifts from friends and relatives can help too. They may even prevent a patient from brooding about his illness and take his mind off his aches and pains as well as strengthening his morale.
Many hospital staffs recommend that the sick be showered with flowers. That's the kind of gift that can perk up a patient when it arrives, and remains as a growing reminder of thoughtfulness and affection that he can see.
Dr. Jacobson says: "Symbolically, flowers express love...mean that someone

cares: Green plants have a similar meaning. A plant is alive and growing, which encourages many patients to identify with the living plant and with life, thus speeding their recovery."
The administrator at New

York Hospital for Joint Diseases adds: "Flowers often play a positive, beneficial role in hospitals. They provide an emotional lift to patients recovering from an illness or operation," and David Taplin of the University of Miami School of Medicine writes: "Nobody would deny that flowers raise the morale of sick people and therefore help them get better!"
When someone you know is ill, his recovery might stem in part from your gifts of flowers...and Tender Loving Care!

Meat Fat Not Guilty

Only one saturated fatty acid—caproic acid—raises serum cholesterol, according to the findings of nutrition researchers at the University of Georgia. There is no caproic acid in meat fat, but there are substantial quantities in coconut oil. The Georgia studies also revealed that stearic acid, one of the main saturated fatty acids in meat fats, actually lowers both cholesterol levels and blood pressure.

a variety of situations.

Attention needs to be focused on the quality of career counseling for young women at the high school level. Support and guidance is needed for women over thirty who are reentering the job market and desire to retrain themselves. Women working as paraprofessionals need encouragement to go on for further training as finances and situations permit.

Many women are locked into unsatisfying jobs that do not challenge their special interests or skills. Some work as volunteers or take a second job to gain satisfaction not found in their primary employment. There is also a new trend among women to select a second job carefully in order to qualify for a retirement pension. This practice is growing especially among astute women employed in semi-skilled jobs which may not carry adequate salary or retirement benefits.

A new brand of volunteer is emerging: women who turn their volunteer work into paid employment. Many women, after experiencing fulfillment in some types of volunteer work, have turned to formal education for

Church Women Explore Career Opportunities

May Fellowship Day will be celebrated by Church Women United on May 3 in Cameron at First Christian Church.

Along with church women across the country, Christian women in Cameron will continue the long tradition of meeting on the first Friday in May to emphasize the creative relationships that are possible among people in every community. "Explore New Paths" is the theme for May Fellowship Day this year.

Church Women United is committed in the seventies to share in shaping new social patterns that will assure a fuller life for all people. Encouraging women to enter new vocations to meet personal needs and the needs of society can make possible a new quality of life. To this end they seek to "Explore New Paths" with women in new careers.

In local units of Church Women United women will look at the many aspects of finding new careers in their own communities. These explorations will be in terms of special community needs; job market surveys; sources of grants, scholarships, and loans for the training of specialized persons for self-development projects; career counseling at the high school level; apprentice-type, on-job exposure; paraprofessional interns and paid volunteers; long-range planning through career guidance.

Women have not always had clear objectives when they went out to seek employment. They have worked for a variety of reasons, although economic necessity is the reason most often given. As more women turn to employment and become such a major part of the work force, there is a growing need for career guidance in

Miss Texas Teen Ager Pageant Deadline Nears

The 3rd annual Miss Texas Teen-Ager Pageant will be held June 20, 21 and 22 at the St. Anthony Hotel in San Antonio. The winner of the state pageant will receive, in addition to a scholarship, a 6 day all expense paid trip to Atlanta, Georgia to compete with other state winners for the title of Miss National Teen-Ager and a total of \$10,000 in cash scholarships.

All Texas girls between the ages of 13 and 17 are eligible to enter, regardless of race, creed or color. Judging is based on scholastic achievements, civic contributions, poise, personality and appearance. There is no talent or swim suit competition.

Deadline for completed applications to be received is May 15. Application blanks may be obtained by sending a stamped, self-addressed envelope to the National Teen Ager Pageant, P. O. Box 406, Rockton, Illinois 61072.

Rockton, Illinois 61072.

Shelving--A Decorative Storage Idea

COLLEGE STATION
Shelves can transform meaningless corners and over-sized, empty walls into useful, attractive areas, one authority says.

"Besides serving as versatile storage and display units, shelving works as a decorating aid," Anna Marie Gottschalk, housing and home furnishings specialist, Texas Agricultural Extension Service, The Texas A&M University System, noted.

Used properly, shelves provide unity of space and shape, she said.

"For example, to unify a

room, match shelf color to that of the room.

"To accent shelving, cover the wall behind it with contrast -- using colorful cloth, paper or paint.

"Another possibility involves papering shelves and wall with a dynamic print."

For shelving, the specialist advised consumers to keep personal needs in mind -- but remember that flexibility results in long-lasting use. Also, plan shelves in relation to the room and surrounding spaces.

"Available either unfin-

ished or finished -- in wood stains or bright enamel paints -- individual shelves are sold in many different lengths and widths.

"To install them, use brackets or standards especially designed for flexible use.

"Or, stack shelves from the floor, using sturdy vertical supports -- such as bricks or building blocks."

Overall interest increases through use of different shelf lengths -- and varying space between shelves, Miss Gottschalk added.

FTC Issues New Guides For Furniture Industry

The Federal Trade Commission's (FTC) new guides for the furniture industry are now in effect, one authority noted this week.

She's Patricia A. Bradshaw, housing and home furnishings specialist, Texas Agricultural Extension Service, The Texas A&M University System.

"Essentially a revision of 1963 trade practice rules, the FTC felt that earlier standards didn't adequately cover changes in technology and materials.

"These new regulations, effective March 21, 1974, also will eliminate some misleading advertising and other deceptive practices.

"For example, manufacturers must inform consumers if an item uses plastic, vinyl, marble dust or other products to simulate wood, leather, marble, slate, etc.

"Furniture with veneered construction or simulated finishes must have attached tags or labels stating such information," the specialist said.

In the past, some retailers removed tags and labels that gave information about an item's construction and composition, Miss Bradshaw continued.

"The new guides aim to stop this -- and also set do-

wn specific rules concerning labeling.

"First, Manufacturers can't use names of countries to indicate style, because some consumers confuse this with where the item was made."

For example, a piece of furniture manufactured in the U. S. can't be labeled just "Danish." Instead, it must state "Danish Design" or "Danish Style," the specialist explained.

"However, they can use 'Chinese Chippendale,' 'French Provincial,' 'Italian Provincial' and 'Mediterranean' because the public realize these terms describe style rather than origin.

"In addition, when a manufacturer claims a product has been tested, he must provide clear, conspicuous results -- in laymen's language.

"And he can't make a claim unless tests were conducted by qualified personnel -- under conditions that adequately evaluate the furniture product."

Advertisers' performance claims should be reasonably based, she added.

"They may be required to submit documentation of tests, studies or other data to substantiate validity of their claims."

Featured Home

ANTIQUE BRICK fireplace dominates the family area of the Richard Crowe home at Buckholts and is a perfect setting for the family's collection of traditional and antique furnishings. Seated in front of the fire-

place are Mrs. Crowe and daughter Courtney, Coat of Arms above the mantle is a composition of the Crowe - Shirley Coats of Arms.

TIFFANY lamp, tile and natural finish wood cabinets are combined in the Crowe's kitchen which opens to the family area of the

house. Potted plants and a large window give the illusions of outdoor-indoor space.

STEP-UP gazebo dining area is one of the many architectural features designed by Mr. and Mrs. Crowe when they enlarged and re-

modeled their home at Buckholts. The dining area and family room had been a double car port in the original house.

Easy To Build Spoon Rack

What good is a spoon collection if you have no place to display it? This colonial-style spoon rack, whether hung on a kitchen or dining room wall, will help make any collection a beautiful conversation piece.

It is simple to build and is slotted to hold eight spoons, with room for more in the tray at the base.

All you need to make it is a piece of 3/4" pine cut 10" x 48". Choose a piece free from warp and knots -- unless you want it to be a little "knotty." Wood should cost you less than \$5.

You'll need the plans for rack dimensions and patterns, of course; but once you get those, follow these steps.

To simplify construction, cut paper templates for the scalloped edges and trace the outlines onto the wood.

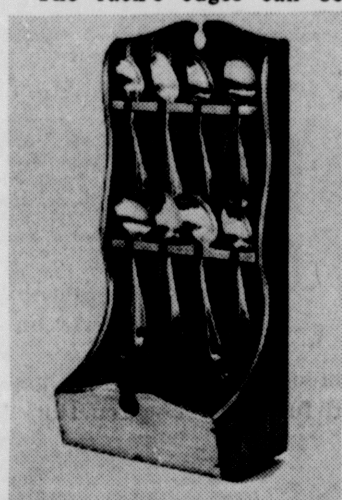

Use a jig saw or band saw to cut all pieces to shape.

The top edge of the bottom piece and the top edge of the front piece must be cut at an angle of 15°. This is easily done with a Rockwell jig saw, which is adjustable for bevel cutting. It's best to use the accessory

grip guide attachment or a clamped-on guide strip for any precision, straight line cutting.

Keyhole slots to hold the spoons are made by drilling the holes and then cutting the neck with the saw.

The rack's edges can be

rounded with a router or by handplaning or sanding. The router, with a quarter-inch cutter, should produce a neat job with little effort.

After sanding all the pieces, assemble the rack with glue and brads. Don't forget to sink the nail heads and wipe off any excess glue before it dries.

To finish the job, apply two coats of orange shellac. When dry, burnish the wood with fine steel wool and paste wax. Nail holes can be filled with matching stick putty.

For a free copy of the plans for the colonial spoon rack, send a stamped, self-addressed envelope to: The Home Workshop, P.O. Box 982, Pittsburgh, Pa. 15230.

Yoemen Shutout Hornets 3 to 0

Friday night's district game with Gatesville resulted in another win for the Yoemen as they shut-out the Hornets 3-0.

The Yoemen limited the Hornets to just one hit, Davidson getting it for a single, but was put out before getting a chance to score.

Craig Freimel was lead batter, hitting 3 for 3. The Yoemen's other hits were secured by John Barron, Jeff Smitherman and Lo Majors all hitting 1 for 3. Smitherman hit a single to get two RBI's

Barron pitched a no hit shut-out with seven strikeouts to his credit. Gatesville's only hit was an infield hit. Barron struck out three up and three down in the second inning.

Rogers 1st In Seventh Grade Relay

Rogers picked up the seventh grade title and was second in the eighth grade competition won by Pflugerville Thursday in the district junior high track meet.

Allan Tyrock of Rogers was the high point individual among seventh graders, scoring 31 points.

Eighth grade scores - Pflugerville 204 1/2, Rogers 79 5/6; Granger 77, Manor 25 1/2, Bartlett 24, Thrall 181/3, Thorndale 181/2, Lexington 11.

Rogers high placers - 440 relay, second; mile relay 2nd; Joe Alexander pole vault, 2nd.

Seventh grade - Rogers 111; Manor 92; Pflugerville 82; Lexington 56; Bartlett 53; Granger, Thorndale, Thrall.

Rogers high placers - Tyrock, 1st, long jump 16-0; first in 440, 60.3; Mile relay, 1st 4:13.3; sprint relay 2nd; Paul Godwin 100 low hurdles, 1st, 13:4; 60 high hurdles, Tommy Kirby, 1st, 10.0; Tommy Kirby, pullups 1st, 16.

The Yoemen are now 5 and 0 in district play.

Cameron's next game is in Copperas Cove, which is going to be a double-header, the first game at 3 p.m. and the second game at 5 p.m. Tuesday May 30.

Area Sports Roundup

All Sports Banquet Set

CAMERON

The Yoe High School athletic department will hold its annual All Sports banquet on Monday, May 6 in the Methodist Fellowship Hall beginning at 7:30 p.m. Special guest speaker will be Donald Jay. Tickets are available from the Yoe High School office and from both banks.

Spring Turkey Season Opens

McGREGOR

Hunters in Coryell County will get a second chance in a week-long spring turkey season that opened Saturday and which will continue through Sunday, May 5. This is one of 39 Texas counties in which the Parks and Wildlife Department has scheduled the spring hunt. Hunters may take one turkey gobbler during the spring turkey season.

Track Team To State Meet

BELTON

Belton High School track team will be sending its speedy mile relay team and hurdler Bryan Sweeney to the Texas Interscholastic League track meet the weekend of May 4. The mile relay, which includes Sweeney, Bryan Hargrove, David Murray and Mike Miller, qualified by taking first in the regional meet. Sweeney placed second in the high hurdles with a 14.4 and first in the intermediate hurdles with 39.4. As a team, Belton scored 50 points, which was good enough for third place.

Dragons Bring Trophy Home

ROUND ROCK

The Round Rock Dragons brought home the second place trophy from the regional track meet in Brenham last week, with a team score of 50 points. Four members of the Dragon team qualified for the state meet. Raymond Rodriguez had a 4:28.2 for first place in the mile run and Richard Cepeda was second with 4:33. Pat McLean took first in the high jump clearing 6 feet 7 inches. Alan Peterson took first in the discus with a throw of 159 feet, 11 inches.

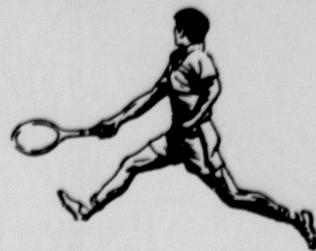

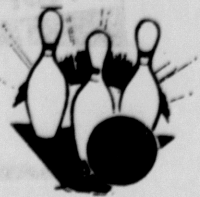

20 Pound Stringer Wins

GATESVILLE

Mike Wilson and Charles Mooney put together a 20 lb, 12 oz, stringer of largemouth bass Saturday on Lake Belton to capture first place honors in McGregor Bass Club's April tournament. Wilson had the hottest hand, boating seven bass including a 5 lb, 9 oz, monster and a 4 lb, 13 oz, lunker. His larger fish won the big bass award. Wilson's total stringer weighed 16 lbs, 9 oz.

HERALD SPORTS

by Allen Fox

Page 8 Cameron, Texas, Herald, April 29, 1974

Club Sponsors Play Day

The Georgetown 4-H Horse Club will sponsor an open youth play-day Saturday, May 4 starting at 9 a.m. at the Sheriffs Posse Arena.

Events will include bare-back pleasure 12-under and

13-over; Western pleasure 12-under and 13-over; pole bending 12-under and 13-over; straight away barrels 12-under, 13-over; flag exchange all ages.

Also, potato race 12-under, 13-over; ribbon race, all ages; clover-leaf barrels 12-under and 13-over; apple race, all ages; flag race 12-under and 13-over; three-legged race all ages and boot scramble for all ages.

Trophies will be presented for first place and 18 inch rosettes will be given through 6th place. High point trophy for 12 and under and high point trophy for 13 and over will also be presented.

Milano Qualifies For State

Milano High School's Bruce Williams won second place in the 330 intermediate hurdles and second in the long jump at the Region II Class B track and field meet held at Tarleton State University in Stephenville.

Williams thus qualified in both events for the May 3-4 state UIL meet in Austin.

His time in the 330 hurdles was 42.6 and his long jump distance was 21, 81/4. Williams also competed in the high jump at regional but did not place. Another Milano participant, Larry Myers, turned in a career best pole vault of 12-0 but failed to place.

Cam-Roc Day Plans Being Made

SPORTS CAMERON 1-18

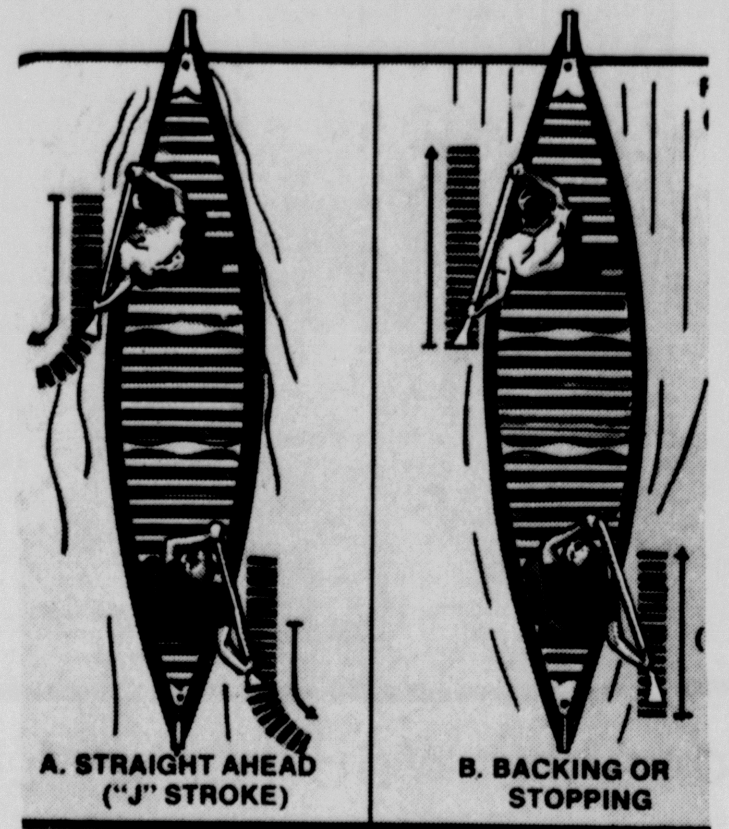

Cam-Roc Day, an annual outing involving members of the Rockdale and Cameron country clubs, has been scheduled for May 25 at the Rockdale club.

A series of events for the entire family -- from sunrise to midnight -- is being planned by a committee of members from both clubs.

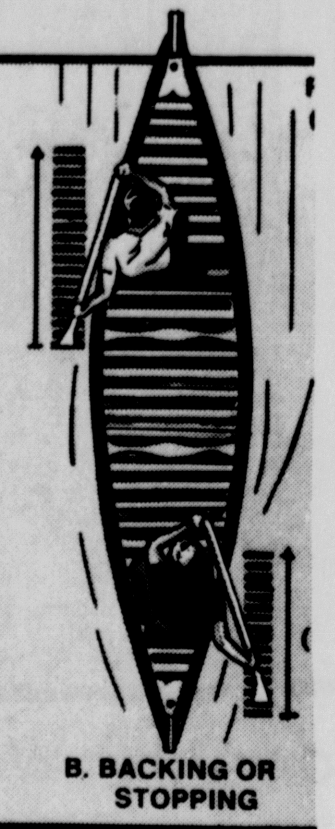

Annual team golf competition and many other activities will be held, and a barbecue supper and dance will conclude the festivities.

BASIC STROKES

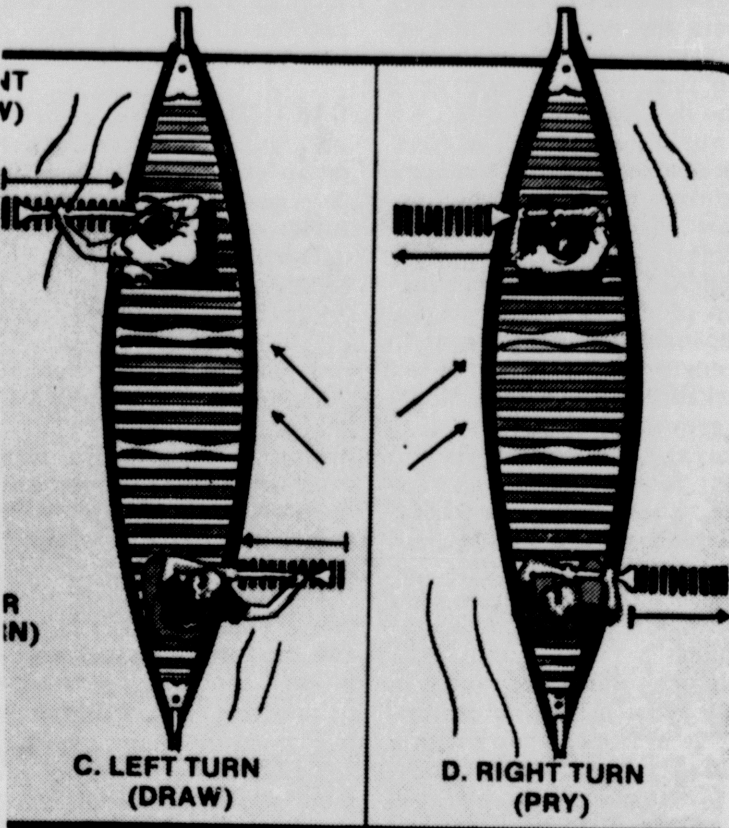

Paddle Position—In all strokes the paddle should be held with the palm of the upper hand over the top of the grip. The lower hand should be held far enough down on the shaft to assure a powerful stroke. The blade angle and direction of the stroke are very important in proper execution of each paddle stroke.

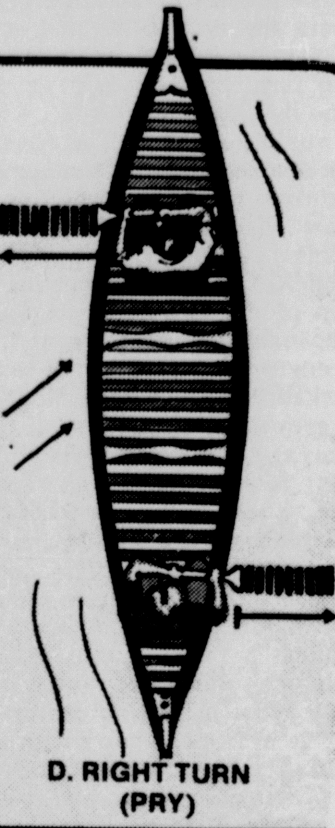

A. STRAIGHT AHEAD ("J" STROKE)

B. BACKING OR STOPPING

C. LEFT TURN (DRAW)

D. RIGHT TURN (PRY)

Canoe Marathon

Set For June 8-15

Running of the Texas Canoe Marathon, the world's toughest canoe race, has been set for June 8 - 15. It will begin in San Marcos and will end at Corpus Christi.

Entrants from throughout Texas and the nation will paddle stock aluminum canoes of 17-foot maximum down the San Marcos and Gaudalope Rivers and either paddle or sail across the Texas Gulf to the finish some 500 miles from where they began.

Jr. High Tennis

Cameron Junior High tennis players won nine matches playing Belton Thursday. Belton won five matches.

Winners included Catherine Huffman, Talullah Green, Kim Fritz, Kristi Tumlinson, Julie Smitherman, Derek Small, Ronnie Orsag, Cobb, and Stephen Hollas.

A. Straight Ahead—The "J" stroke is one of the most versatile strokes available to the canoeist. This is a forward stroke that can easily be adapted for directional control. The "J" stroke can be used to push the canoe straight ahead when there is a person in both the bow

and stern. Also, if only one person is in the canoe (in the stern) the "J" stroke can be used to push the canoe forward in a straight line without the necessity of alternating strokes on opposite sides of the canoe.

B. Backing or Stopping—This stroke must be made parallel to the keel of the canoe. This is an important stroke used in landings, backing out of tight places and for checking speed in rough water.

C. Left Turn (Draw)—This stroke is for steering the canoe to the left. The stroke should begin as far out from the side of the canoe as possible, with the blade angled parallel to the craft's keel, then be drawn straight toward the side of the canoe.

D. Right Turn (Pry)—Same as for the left turn only paddle blade should be pushed away from the sides of the canoe at right angles.

Canoeing Explored In P&W Mag

AUSTIN
One of Texas' fastest growing sports, canoeing, is explored in the latest issue of Texas Parks & Wildlife magazine.

The article, by staff writer Tim Lefeste, contains information ranging from types of equipment preferred by canoeists to basic strokes for paddling a canoe.

Special lists tell about the location of canoe liveries, suggested equipment for an overnight float trip and tips of safety and canoe handling, according to Lefeste, running rivers in canoes is attracting more and more attention. But before beginners tackle a river, they should practice the basic strokes since fast water and substantial rapids require more sophisticated paddling techniques.

Life preservers are a must, he says. Texas law requires there be one Coast Guard-approved life preserver for each person in the boat.

A True Reflection of Growth and Progress

TRIBUTE TO MR. D. R. DODSON, RETIRING SUPERINTENDENT OF CAMERON PUBLIC SCHOOLS.

WHEN THE FINAL APPRAISAL OF THE PROPERTY IN THE CAMERON INDEPENDENT SCHOOL DISTRICT WAS COMPLETED THE APPRAISED VALUE OF THE PROPERTY WAS FIXED BY LOCAL CITIZENS, OUR NEIGHBORS AND FRIENDS, WITH MR. E. A. PERRIN SERVING AS CHAIRMAN OF THE COMMITTEE, IN THE YEAR 1964.

AT THAT TIME THE TAX RATE WAS \$ 1.50 PER HUNDRED DOLLARS ASSESSED VALUATION AND THE ASSESSED VALUATION WAS TWENTY-FIVE PER CENT OF THE TRUE VALUE. FOR THE YEAR 1970-1971 THE ASSESSED VALUATION WAS INCREASED TO FIFTY PER CENT OF THE TRUE VALUE AND THE RATE WAS THEN REDUCED TO \$ 1.00. FOR THE YEAR 1973-1974 THE RATE WAS INCREASED TO \$ 1.25 FOR THE REASON OUR VOTERS REJECTED ALL BOND PROPOSALS SUBMITTED. WE ELECTED OUR NEIGHBORS AND FRIENDS TO SERVE ON THE BOARD OF TRUSTEES AND THE BOARD BECAME THE GOVERNING BODY FOR OUR SCHOOLS.

WE FORGET ALL TOO OFTEN THAT THE LARGER PART OF THE MONEY WITH WHICH TO OPERATE OUR PUBLIC SCHOOLS COMES FROM THE STATE AND FEDERAL GOVERNMENTS HOWEVER IN ORDER TO QUALIFY FOR THE OUTSIDE FUNDS ALL THE THINGS REQUIRED BY THE DEPARTMENT OF EDUCATION MUST BE MET.

THE SUPERINTENDENT IS THE ADMINISTRATIVE OFFICER AND SERVES AS DIRECTED BY THE BOARD. OUR SCHOOL BOARD IS OFTEN PLACED IN A MOST DIFFICULT SITUATION FOR MANY REASONS SUCH AS THE MINIMUM SALARY PAID TEACHERS IS FIXED BY THE LEGISLATURE OF TEXAS, THE MINIMUM PAID TO OTHER EMPLOYEES OF THE SCHOOLS ARE FIXED BY THE CONGRESS AT WASHINGTON, AND NOW CONGRESS IS JUST OUT WITH A NEW ONE TELLING US WHAT WE MUST PAY THE WASH WOMAN AND THE YARD MAN AT OUR HOMES. IN BUILDINGS, GROUNDS AND OTHER ACCOMMODATIONS CERTAIN REQUIREMENTS ARE SUBMITTED AND IT IS UP TO US WHETHER OR NOT WE QUALIFY.

THE GROWTH AND PROGRESS ACHIEVED IN THIS ADMINISTRATION IS SO ATTRACTIVE AND OF SUCH VALUE TO OUR SCHOOL SYSTEM I HAVE PERSONALLY REQUESTED THIS STATEMENT WHICH FOLLOWS HERE BELOW AND PAY FOR THE PUBLICATION WITH MY PERSONAL FUNDS THAT ALL INTERESTED PERSONS MAY HAVE THE INFORMATION.

FINANCIAL STATEMENT CAMERON INDEPENDENT SCHOOL DISTRICT

BONDED DEBT	
BONDED DEBT PRINCIPAL & INTEREST, SEPT. 1965	\$ 605,472.00
BONDED DEBT PRINCIPAL & INTEREST, SEPT. 1973	246,627.50
INCENTIVE AID DUE TO APPLY ON BONDED DEBT	94,221.00
TRUE BONDED DEBT WITH LAST PAYMENT DUE IN 1982	155,106.50

CAPITAL IMPROVEMENTS SINCE 1965	
LAND AND BUILDINGS	176,468.00
FURNITURE AND EQUIPMENT	112,575.00
LIBRARY BOOKS PURCHASED (ESTIMATE)	30,000.00

TAXES	
1965-1966 VALUATION \$ 11,364,000.00 @ \$ 1.50 RATE, 100% COLLECTION WOULD PRODUCE	170,460.00
1973-1974 VALUATION \$ 28,021,641.00 @ 1.25 RATE, 100% COLLECTION WOULD PRODUCE	350,270.00
\$ 70,050.00 OF THIS AMOUNT IS SET ASIDE FOR NEW CONSTRUCTION AND A NEW FIELD HOUSE IS NOW BEING BUILT.	

LOCAL FUND ASSIGNMENT	
* 1965-1966	\$ 74,837.00
* 1973-1974	155,055.00
* THIS IS THE AMOUNT WE MUST PAY AS OUR SHARE OF THE MINIMUM FOUNDATION PROGRAM. THIS AMOUNT WE MUST PAY TO PARTICIPATE IN THE PROGRAM. THIS YEAR WE ARE DRAWING FOR OUR SCHOOLS \$ 355,819.00 FOUNDATION FUNDS.	

IT IS GOOD TO KNOW THAT ON MARCH 31, 1974 THERE WAS ON DEPOSIT IN THE INTEREST AND SINKING FUND \$ 50,346.32 TO FURTHER REDUCE THE BONDED DEBT ACTUALLY LEAVING \$ 194,000.00 PLUS OF THE BONDED DEBT OUTSTANDING.

\$ 1,134.00 REMAINS DUE ON FOUR ACRES OF LAND PURCHASED FOR LONG RANGE EXPANSION OF THE SCHOOL SYSTEM.

\$ 2,799.00 REMAINS DUE ON LATE PURCHASES OF SCHOOL BUSES.

AS OF MARCH 31, 1974 THE BALANCE IN THE CHECKING ACCOUNT FOR CURRENT USE WAS \$ 225,637.00.

WE VENERE BELIEVE THIS FINANCIAL REPORT IS ACCURATE AND DEPENDABLE.

APRIL 26, 1974.

C. R. (Roy) Law

Jr. High Wins Literary Meet

Cameron Junior High was host to a UIL literary meet last Saturday, and won both seventh and eighth grade top places in the meet.

Other schools competing included Belton, Del Valle, Georgetown, Taylor and Rockdale.

In the 8th grade meet, Cameron was high with 45 points. Winners were Lanny Dusek, first place in boys oral reading and Jeff Harwell, fifth place.

In number sense, Sidney Youngblood placed third. Jeannie Dodd placed first in spelling, Karen Mode second and Ramona Cummings, third place.

In seventh grade competition, Cameron won first place with 52 points, with the same competition.

Ellen Lucko was second in oral reading and Connie Green Jr. won in the boys division. In ready writing, Kristy Tumlinson won first and Helen Chandler third.

David Anderson was third in number sense and Laverne Vansa was first in spelling. Others placing in spelling were Tina Lester third and Denise Zarosky sixth.

Other schools scores for eighth grade were Georgetown 42, Del Valle 25, Bel-

ton 10, Taylor 5 and Rockdale 0. In seventh grade, Georgetown scored 32, Belton 25, Taylor 22, Del Valle 5 and Rockdale 0.

Obituaries

Weathers

Mrs. Ollie Weather, 86, of Thorndale and formerly of Cameron, died Wednesday morning in a local hospital after a long illness.

Funeral was at 2 p.m. Thursday at Marek-Burns-Laywell Funeral Home, the Rev. Howard Buchanan and The Rev. Herman Blair officiating. Burial was in the Pebble Grove Cemetery.

She was born at Maysfield and had lived in Milam County all her life.

Surviving are three sons, Conway Weathers of Bryan, Jack Weathers of Waco and Carroll Weathers of Austin; four daughters, Mrs. Anna Lou Boothe of Thorndale, Mrs. Ollie Mae Simmons of Cameron, Mrs. Jane Dickey of Waco and Mrs. Edith Martin of Thorndale; four sisters, Mrs. Lula Wilkerson of Tempe, Ariz., Mrs. Birdie Dodson of Waco, Mrs. Lola Phipps of Rogers, Ark., Mrs. Myrtle Francis of Kilbuck; 21 grandchildren, 27 great grandchildren and great great grandchildren.

Eggert

Mrs. Ernest G. Eggert, 85, of Columbus, Ga., and formerly of Cameron, died in Columbus Wednesday.

Graveside service was held at 2 p.m. Saturday in Oak Hill Cemetery in Cameron, the Rev. Ernest L. Helsley officiating.

Mrs. Eggert was born in Hamilton County.

Surviving are a daughter, Mrs. George E. Bailey of Columbus, Ga.; a brother, Robert Boater of San Marcos; two sisters, Mrs. Lillian McKelby of Houston and Mrs. Mary Holmes of Bishop; and two grandchildren.

Marek - Burns - Laywell Funeral Home was in charge of local arrangements.

Bailey's Oriental Tour Open To More Travelers

Dr. and Mrs. Joe Weldon Bailey will depart June 22 with their party to the Far East. Their twenty-one day tour will take them to Japan, Taipei, Hong Kong, Thailand and Singapore.

Dr. Bailey said, "We would enjoy having a few more join us in this enchanting tour of the Far East. We have a wonderful group of people going with us this year."

While in Japan the group will visit much of Tokyo with full day excursions to Nikko, Nara, Lake Hakone and Yokohama. Several days will be spent in Kyoto, the capitol of Japan for over a thousand years.

After Japan the party will go to Taipei and visit the world famous museum in Taiwan. From Taiwan the tour will take the party to Hong Kong.

After four days in Hong Kong the group will fly to Bangkok, Thailand. A unique Rice Barge Tour will be enjoyed in Bangkok. From Thailand the group will fly to Singapore. Flying home

the group will spend the night in Hong Kong.

The Baileys took a group to Europe in 1973. In 1970 they directed a party of 33 around the world during a six week trip. The tour this year includes deluxe hotels, American breakfast, dinner each evening from a choice of several restaurants, and English - speaking guides throughout.

The Baileys are experienced tour directors. Those interested may write P. O. Box 65, Calvert, Texas 77837 or call them at 713 364 2321 after 4 p.m. Traveling with the Baileys to the Orient is Mrs. Cliff Wiese of Calvert.

71st Muster Elects New Officers

The 71st anniversary Muster of Milam County's Texas A&M University Former Students Club was held Saturday night at the Milam Elementary School cafeteria.

The Muster, held annually to honor Texas A&M graduates who have died in the previous year, was attended by nearly 100 former, present and prospective students, according to Muster chairman and club president Bill McCutcheon of Cameron.

Keynote speaker at the event was A&M presidential assistant Rodger Miller of Hamilton, who spoke on current happenings and upcoming trends at the University.

New officers were also elected for the 1973-74 term. They are Bill Henry of Rockdale, president; Niley Smith, Sr., vice president; Sam White, secretary; Monroe Fuchs, treasurer; and Bill Saage, athletic representative.

Henry also named 1974 Muster chairman.

Six new directors were also named to head up activities throughout the county. They are Stanley Glaser, Buckholts, Gene Klein, Burlington; Bill Arthur, Cameron; Raymond Pond, Rockdale; Newton Butts, Thorndale and Shelby Smith, Milam.

Niley Smith, who presented the Muster tradition, was recently honored as the oldest Aggie at this year's Sul Ross class reunion. He is a 1908 graduate of the university. Roll call of deceased A&M graduates killed was given by Bill Saage and the Muster charge was made by Bill McCutcheon.

Yoe High Honor Roll

The following high school students are listed on the honor roll for the fifth six weeks:

Freshmen - Jil Folschinsky, Diana Chubb, Janet Angell, Debbie Ermis, James Pair, Joseph Schmidt, Tina Posival, Ann Richardson.

Also, Janice Friemel, James McCullin, Karla Stanislaw, Dennis Mueck, Carl Bradley, Thomas Mikulec, Brian Wilkinson, David Delony, Richard Raymond.

Sophomores - Jan Burke, Mary Hanel, Shirley June, Ben Morris, Barak Waldron, Rebecca Riola, Eva Mikulec, Rachel Reynolds.

Juniors - Linda Hughes, Vanessa Meyer, Lauren Edmonds, Janet Miller, Bruce Zarosky, Edward Zoltz, Ladis Slavik, Janet Vansa, Beatrice Tomek, Melissa Delony.

Seniors - Patti Chubb, Duane Tomek, Daniel Richardson, Denise Price, Cindy Clark, Linda Berryhill, Paul Vaculin, Mary Blake, Richard Dodd, Jane Anderle.

Former Resident Elected To Board

Virgil Lake, of Dallas and formerly of Cameron, led the list of four candidates for the Melissa School Board with 67 votes in a recent election.

He is the son of Mrs. Estelle Lake of Cameron, and was employed by J. C. Penney Co. before moving from Cameron.

Market Report

There were 700 cattle and calves consigned to the Cameron Livestock Auction Thursday, compared with 713 last week and 653 last year.

Slaughter cows were 1.00 to 2.00 lower. Slaughter bulls fully 50 to 75 lower. Few slaughter calves steady. Feeder steers 2.00 to 3.00 lower with full decline on standard and good. Feeder heifers and heifer calves 1.00 to 2.00 lower. Stock cows steady. Cow and calf pairs steady.

Demand was moderate and buying attendance was normal. Quality on feeders much improved over last week.

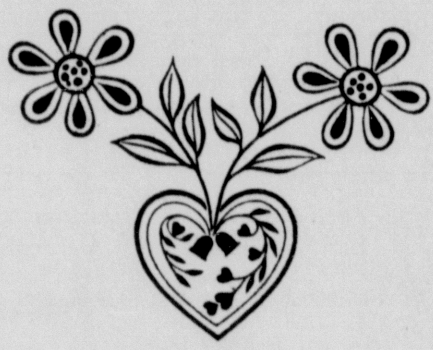

Slaughter cows, utility, brought 27.50 to 31. Cutter 26.75 to 30.10. Slaughter bulls, Yield grade 1-2 were 37 to 41. Slaughter calves good were 40 to 42.50.

Feeder steers choice 47 to 51.50. Bulls good and low choice 36 to 41. Feeder heifers choice 40 to 45. Cow and calf pairs one pen choice brought 472. good brought 295 to 380, standard 250 to 310.

Hog receipts totaled 494 with barrows and gilts 2.00 lower, sows 1.00 lower. US 1-2 barrows and gilts brought 28.30 to 28.60. Sows US 1-2 brought 25.50 to 28.

Kathryn and Richard are In Love

So They're Getting Married

Wedding etiquette is changing and with the change is a new, personal style for invitations.

We invite you to examine our new sample book of invitations and announcements styled for today's bride.

Or if a traditional wedding is in your future, we have a fine line of engraved or printed wedding stationery to select from.

Mrs. and Mr. Richard James Herford
and
Mrs. and Mr. Robert Lee Honen

*invite you to share in the joy of
the marriage uniting their children*

Kathryn Alice

to

Mrs. Richard Krugemchak

*This celebration of love will be
on Saturday, the twenty-fifth of January
nineteen hundred and seventy-three
at five o'clock*

*St. James Lutheran Church
824 Highland Boulevard
Haledon, Utah*
